

# Arbill Vending

## AN ALL-NEW WAY TO VEND PPE

Arbill's innovative vending solution program helps reduce waste, optimize inventory, minimize energy use, and provides easy access to the products employees need to be safe.

### High-Capacity Solutions

Single machine can hold 810 or 1080 different products

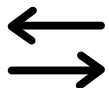

### Interactive Touchscreen Display

Multi-lingual intuitive display features product descriptions for easy product selection

### Enhanced Sustainability

Eliminates the need for packaging supporting zero waste goals

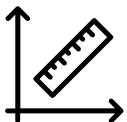

### Multi-Transactional

Vend multiple products in a single transaction

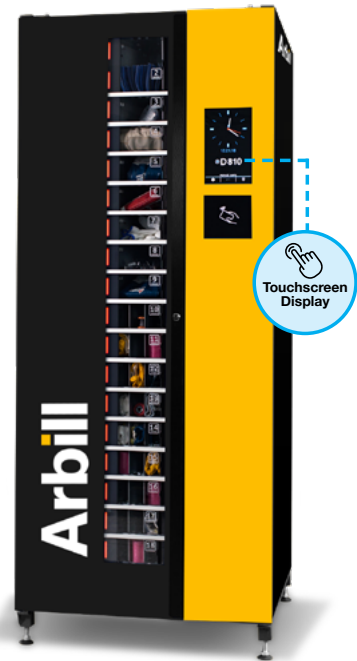

### Comprehensive Reporting

Comprehensive reporting provides usage insights

### Sleek Footprint

Fits through common doorways allowing you to place it where you need it most
